

Kawe Longon

JUNIOR FRONT END ENGINEER

+39 378 0639 622 | kawe.longon@gmail.com | Asolo (TV), Italy | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Junior Front End Engineer specializing in React, TypeScript, and Flutter, with production experience building IoT device management platforms and healthcare/PWA solutions. Track record of shipping performance-first interfaces (100/100 Lighthouse, 95+ Core Web Vitals) and refactoring legacy codebases to cut load times by 20%. Professional working proficiency in 6 languages, thriving in Agile, cross-functional international teams.

AREAS OF EXPERTISE

TECHNICAL SKILLS	React, Next.js, TypeScript, JavaScript (ES6+), Flutter, Dart, Tailwind CSS, Framer Motion, shadcn/ui, Radix UI, SASS, Node.js, C#, PostgreSQL, Git, Vercel
METHODOLOGIES	Agile (Scrum/Kanban), Cross-Functional Collaboration, Component-Driven Architecture, Progressive Web Apps (PWA), Internationalization (i18n), UI/UX Foundations

PROFESSIONAL EXPERIENCE

INTERN FRONT END ENGINEER, STIGA S.p.A. | Castelfranco Veneto (TV), Italy 06/2025 – Present

Frontend and mobile software engineering for internal corporate portals and smart IoT device management platforms.

- Refactor 12+ legacy web components into modular React & TypeScript interfaces, reducing portal load times by 20% for 100+ daily active internal employees and dealers.
- Develop 5+ performance-oriented cross-platform UI features using Flutter & Dart for smart lawnmower management, expanding capabilities for thousands of active end-users.
- Collaborate in 2-week Agile sprint cycles within an international engineering team, maintaining 100% on-time feature delivery for assigned frontend tasks using Jira and Git.
- Integrate REST APIs with backend engineers, implementing strict TypeScript data validation to prevent runtime errors across internal tools.

KEY ENGINEERING PROJECTS

SHOES DISCOVERY QUIZ APP | React, TypeScript, SASS Modules, Vite 07/2026

- Engineered a modular product discovery web app without third-party UI libraries, achieving a 100/100 Lighthouse performance score.
- Implemented an isolated state machine (useQuiz.ts) featuring stack-based history snapshots for seamless backward navigation and weighted recommendation algorithms.

DEVELOPER PORTFOLIO WEBSITE | React, TypeScript, Tailwind CSS, Framer Motion 06/2026 – Present

- Architected a brutalist/minimalist single-page application featuring custom Framer Motion spring animations, cursor tracking, and mobile parallax scrolling.
- Implemented a lightweight i18n context supporting 5 languages (EN, IT, FR, DE, RU) and dynamic canvas routing, achieving a 95+ Core Web Vitals score.

ANIMATOR & STORYBOARD ARTIST PORTFOLIO | [tommasotamburini.com](#) 09/2025

- Architected a media-rich portfolio website using Next.js, React, and Tailwind CSS to showcase high-resolution 2D animation and Disney/Netflix storyboard showreels.
- Integrated Vimeo API embeds and custom Radix UI modal players for fluid video playback across mobile and desktop viewports.

MEDICAL PRACTICE PLATFORM | [dottmaicobattistello.it](#) 02/2025 – 08/2025

- Engineered a Progressive Web App (PWA) using Next.js App Router, React, and Tailwind CSS, deployed on Vercel for a medical practice.
- Implemented accessible UI components with Radix UI and shadcn/ui primitives, streamlining patient consultation bookings and optimizing Core Web Vitals score to 95+.

EDUCATION

Higher Technical Diploma in Front End Development (EQF Level 5) – ITS Academy Alto Adriatico (09/2024 – 07/2026)

Intensive 2-year tertiary vocational degree focused on software engineering, Next.js, React, TypeScript, and database systems.

High School Diploma (Linguistic) & French General Baccalauréat – Liceo Brocchi (09/2018 – 07/2023)

Dual-diploma international program emphasizing linguistic mastery and cross-cultural communication.

LANGUAGES & WORK AVAILABILITY

Languages: Italian (Native), Portuguese (Native), English (C1 - IELTS), French (B2), German (B1), Russian (A2)

Work Availability: Open to Relocation within Schengen area & Remote roles.
